CAVALOR®

EMPOWER YOUR AMBITION

PROTECT THE STOMACH

Prevention is key in keeping the stomach healthy. Cavalor Gastro Aid products combine targeted buffering of excess stomach acid with ingredients that help protect the stomach lining, creating a healthier stomach environment.

- Stimulate saliva, the stomach's natural buffer, helping neutralise excess acid before it reaches the wall.
- Shield the stomach lining, regulate gastric function and help damaged tissue recover faster.
- Aid feed absorption and digestibility, supporting daily stomach balance and renewal.
